

WHAT'S NEW?

We now offer Gap Insurance to cover your new or used vehicle in the event of a total loss. Our price is \$245 for this coverage. Many dealers charge over \$600 for similar coverage which sometimes is not even as good as what we offer to our members.

We are also offering Mechanical Repair Coverage which offers our members a chance to limit their costs of unexpected breakdowns and provide peace of mind. As your vehicle gets older, the risk and cost of repairs likely increases. Repairs can be expensive. This coverage is available at friendly Credit Union prices and not at dealer inflated prices.

We are also partnering with Liberty Mutual Insurance Company to offer discounted homeowner and auto insurance for our members. Please call 1-888-380-9287 for a free quote and start saving today.

VIRTUAL BANKING

We encourage you to sign up for our Virtual Banking Site. If you do so, you will not only be able to view your statement on-line, but you can look at real time share and loan balances at any time.

We would also ask you to please email or call the Credit Union and request on-line statements only. With the increase in postage and labor costs, we can save a significant amount of money by having our members request their statement online.
